

CAMPER RELEASE FORM

It is the policy of The JamZone to release a camper only to an authorized person as listed on the Camper Release Form approved by the camper's parent or legal guardian. The following procedures are in place to ensure your child's safety:

- Anyone picking a camper up from The JamZone must previously be on the camper's release form on file in the office. All authorized individuals will be required to show photo identification.
- The JamZone must be notified in writing of any changes pertaining to the release of your child. Notes will not be accepted at the time of pick-up. Please send a note at least one day prior to the pick-up in order to change the form. Phone calls will not be accepted.
- In the event that an individual not named in writing by the parent/guardian attempts to gain access to a child, the parent or/guardian or emergency contact will be notified immediately. If a custodial parent requests that a camper not be released to a noncustodial parent, a court order must be on file in the office.
- In order to help guarantee the safety and enjoyment of your child, please share these procedures with him/her and with those individuals authorized to pick up your child.

This form is required only if you will be picking up your child at camp.

It can be emailed, mailed or dropped off in the camp office. Please do not send it with your child.
